Since I took this job as a GED teacher I've dealt with my share of returning summer school drop-outs. It took a while to figure out what to do with these punks, but I learned the best way to keep them well behaved. I haven't tried it on a lot of them, but those that I did straightened up right

Yes, I was a flower child many, many years ago. Living in a commune, it was only natural (pardon the pun) to get into the hippy culture. There was an awful lot of pot smoking, and a lot of sex. I tried guys and girls, and I even tried guys and girls together. Now that was a lot of fun, believe me.

GRANNY'S BIG ADVENTURE

I'm only 50, but still I think of myself as the grandmother of my son's three children. At least I did until when last week. That's when I took my first overnight business trip for my company.

I took the job, about four years ago, just after my son married and left the nest. I never dreamed that it would involve travel. It was mostly a way to keep from being lonely during the day in my big old, empty house.

But, when my boss offered me the trip I jumped at the chance. I had butterflies in my stomach from the moment he asked until I made it to the gate at the airport. Somehow, I sensed that it would be the most exciting experience of my life.

As soon as I checked into the hotel and unpacked, I went out in search of some food. I chose the restaurant in the hotel and expected to eat a quiet meal alone while I read a book. My reading was interrupted by the most beautiful male voice that I've ever heard. "May I join you? I hate to eat alone," were his only words.

Julia Ann, I'm a Big Fan!

I gotta tell you how hot Julia Ann is from your last issue. She's a knockout and I wish she was living next door to me. I'd be over asking for sugar every day until she gave in and let me have some of hers. Her sugar pot, that is. Ever since I first saw her with Janine L. in that famous ice dildo scene, I was hooked. I've tried to follow her career through the years, always expecting her to exit the business, but she's still here, and I'm still a really big fan.

I love the way her body looks; and I'm sure is quite nice to fuck. And also, to me, she looks like a giver. It seems like she likes to fuck, give head and please her man. That's what I like in a woman. That's what any man would like. Thank you Julia Ann for keeping you fans happy and enjoying you to this day.

— Conrad D., Pittsburgh, PA

I found myself looking into a pair of sexy, blue eyes that sent shivers up my spine. His name was Paul; he was well dressed and graying at the temples. I could say that Paul plied me with liquor and then took advantage of me, but that would be an outright lie. The second I saw him, I knew that he was going to get in my pants.

To tell the truth, he was too slow. Before we finished dessert, I was squirming in my chair. My cunt was hot and ready. I ached to feel the stranger's cock deep inside me.

It was my idea that we go to my room for a nightcap. As soon as the elevator doors closed behind us, I put my hands behind his head and pulled his mouth down to mine. I was too horny to risk his not knowing exactly what I wanted. The wife and mother in me was hiding her face in shame, but the slut in me was having a party. I was in a strange city, no one knew me and my pussy was on fire. And I was determined that Paul's cock would satisfy the hunger emanating from between my legs.

We didn't break that kiss

until the doors opened on my floor. I took his hand and led him to my door. We entered the room and even before I could turn on the lights, Paul pulled me against his body and thrust his rock hard cock against me.

He picked me up and carried me to the bed. Neither of us said a word as he reached under my dress and pulled my panties off. Then he unzipped his pants and unfurled a cock that must have been 10 inches long.

While I was still wondering if I could handle his monster, he mounted me and pushed it into my quivering center. And he stretched me to the max. The fit was so tight that I could feel the exact shape of his thick shaft and that big beautiful head of his cock.

I was coming before he had it halfway in. "That's it, baby," he groaned as he began pumping in and out of my clutching cunt. "Come for daddy."

Somehow, I managed to take every inch of that battering ram. He shoved it in and out of me like a crazy man, until finally I screamed as the most violent orgasm of my life rocked my body.

I locked my legs tightly around his hips and dug my claws into his back as he growled and filled my cunt to the brim with his hot load. We lay there catching

our breath for a few minutes before Paul pulled away. He stood, zipped up his pants, and kissed the tip of my nose before he slipped away.

I woke up the next morning still in my evening dress. I wondered if it had been a dream until I stood and felt the stiffness between my legs. His manhood had left its mark. It took two days to get over the soreness. But, it was worth every second of it.

— *H.W., Chicago, Ill.*

MARNIE'S **TWIN PEAKS**

I'm 52 and married to a really gorgeous woman. I guess that's what makes me more sensitive to the plain Janes of the world. I work in an office building filled with unmarried fortyish women and I make it a point to flirt with them regularly.

I do it only to make them

feel wanted. I have more woman at home that I can handle. At least I thought I did, until I met Marnie. She has the biggest tits in the office. Even her drab clothes can't hide the big pointed beauties. I must admit that I flirt with her more than some of the others in order to brush against the twin beauties.

Then one afternoon a few weeks ago, I was in a big hurry and wasn't watching where I was going. As I rounded the corner I crashed chest-to-chest into Marnie. Papers flew everywhere. She stooped to pick them up and I knelt to help. "You look absolutely delicious today," I offered, trying to get her mind off the mess on the floor.

"Delicious?" She repeated, raising her eyebrows and blushing. There was a strange twinkle in her big brown eyes. The way she said it made me blush.

"Have you ever ... gone down on a woman?" she stammered.

The question both shocked and excited me. I felt my cock instantly rear its horny head. "You bet," I responded, trying to make a joke of it. "Someday I'll show you," I added.

"My van is in the parking lot," she purred. Then she took my hand and led me like a child out the door and into the elevator, across the parking lot and into her van. She climbed into the truck ahead of me. By the time I closed the door, shy little Marnie was flat on her back with her skirt around her waist, her pussy bare, wet and ready.

I dove into her open slit like it was a seven-course meal. She begged me to slow down, I couldn't. She whimpered, squirmed and moaned as her body convulsed under my probing tongue. She came a half-dozen times before she reached down and pulled me on top of her bucking body.

My cock slid naturally into her. I sucked on her big beautiful tits while the shy little lady fucked my socks off. She had the sperm gushing from my twitching cock long before I wanted it to end. As soon as my cock began shriveling in her slippery channel, she pushed me off and dressed silently. She was again the shy little Marnie that I thought I

knew so well.

I still compliment the women at work, but now I realize that I'm playing with fire. I don't expect to find another Marnie, but if I do...

THE BREAK ROOM

I'm working my ass off for this company, rarely taking a coffee break and eating lunch at my desk so I can get more work done. I'm sure a lot of you guys have been there. There is so much work that I don't leave the office until ten at night sometimes. There have even been a couple nights this month that I've spent the night in the employee lounge because I was too tired to drive home.

Fortunately, this is going to be one of those nights. So, it's pushing ten-thirty and I decided to crash in the lounge. I get to the door and see that a few lights are on. Usually, they're not. I also notice that the door is open about six inches and before I go in, I peek through the opening and see two women inside the room. I recognize one of them, Robin, from another department. The other has her back to me so I can't tell who that is.

Robin is sitting on the couch against the wall opposite the vending machines. The other lady is in one of the chairs facing

her. They seem to just be talking when the other lady stands up and walks over to Robin. I hear her say that she needs to be licked. Shoes and all, she climbs onto the couch and drops her pants to her knees.

She spreads her feet apart and pushes her pussy into Robin's face. I see Robin's hands come around and grab the other lady's butt cheeks and pull her hips closer. I hear them slurping and moaning as Robin's fingers began exploring between the other lady's butt crack.

Now the other lady climbs off the couch and turns. Oh my god, it's Elaine, the CEO of the company. I'm floored. I knew she kept late hours, but for this. And why aren't they doing it in her plush office. Oh well, when you're hot, you're hot and little else matters. I hear Elaine say "Now it's your turn, baby." Robin lays down on the couch, pulls up her skirt and pulls her panties off, throwing them on the floor.

Elaine goes over to her and

pulls one of Robin's legs off the couch and touches the floor. Her pussy must be totally exposed, I think to myself, because Elaine is blocking my view. Then she kneels on the floor and lowers her face into Robin's pussy. Immediately Robin moans and bucks her hips.

Elaine straightens up a little and pulls Robin by the hips lower into the couch. Then she climbs onto the couch, bare-assed and into a sixty-nine position over Robin. The ladies lick it up in some hot 69-ing and Elaine makes it look even hotter with her ass in the air.

Robin is ready to cum but it seems to take a little more work to get her off. Elaine gives her a finger insertion and that sends Robin over the top. A moment later Elaine is pushing her pussy down hard onto Robin's face and grinds herself to a climax. I quietly back away, walk back to my office and sit down to take in what I just saw. I grab my briefcase and head to my car.

— *Earl J., Ft. Worth, TX*

BAD SEX? MAYBE!

There's a woman I had met through a friend who was married but apparently not getting enough at home and I initially found her interesting. That is, until she would send me texts like 'I'll be the best fuck you'll ever have,' and 'No one can fuck you like I can fuck you,' and the ever popular, 'I give the best blow jobs on the planet.'

Well, much to my disappointment in hindsight, sex with her was completely sloppy and awkward. There was no rhythm and I remember kissing her was like trying to stick my tongue in a bathtub. Some people fake orgasms on purpose and some do it out of habit. She moaned during sex making the fakest sex sounds possible. Then, she asked me in this whiny voice: "Um, can I suck your cock?" I sighed again, her tone reminiscent of a 1920s talkie movie.

We all know how this is going to end. "Sure," I said, "Go for it." She did. It was fine, but to get to that point was so excruciating painful mentally. I threw in the towel early. I laid down defeated.

— *Spiro K., Denver, CO*

You know? The older I get, the more powerful I feel. My health

is as good as it's ever been, and my sex drive is through the roof. My libido is so big now, that I'm willing to do things I wouldn't even consider five years ago.

Yeah, you know I'm talking about anal sex. I initially eased into it because I was unsure if I wanted to do it. I talked to a few women about how to prepare for it, and ultimately do it. I discovered a bunch of things I

Cory

did not know about, and that helped me through my experiences. Now, I'm an anal addict and not only do I like it, but I actually look forward to it. Okay then, let's get it on back there!

Summer is truly the best time to find my worries falling off with my shirt. I've heard that there is a direct correlation between high temperature and libido. I've never experimented on the subject, but I

Aurelia

can tell you that I'm more likely to taste dick when the kids are out visiting friends. You'd think that needing warmth in winter would be better encouragement, but I think cock feels better when I start off hot and from there it only gets hotter.

HOW ONE SMOKIN' HOT TEACHER MADE ONE COLLEGE PROFESSOR BREAK ALL THE RULES

I was old enough to draw social security and there I was two fingers deep in Lorraine's juicy pussy while my tongue teased her swollen clit. Even more unbelievable, we were doing it on top of her pool table.

You probably think I'm one of those hotshots, always trying to take advantage of some young girl. Well, I'm not. And as head of the history department at a small college in Georgia, I've had many opportunities, but Lorraine was the first woman to arouse my passion in the over seven years since the death of my wife.

I might also add that Lorraine isn't exactly a bright-eyed coed but a woman in her forties who teaches English at the same school, and plays the old-maid schoolteacher role to the hilt. When she asked me to come up for some coffee, I accepted only to avoid another long night at home with my frozen dinner and a stack of exams to grade. I don't believe she realized that the top button of her dress was open and that I could see the soft curve of her breast as we drove along.

I can't say that I was sexually aroused, but I did enjoy the scenery. I'd all but forgotten how warm and cuddly a naked woman can be. When we opened the door, the shouting, singing, and the screaming began. The cake had enough candles to light the room without the aid of any lamps.

Lorraine took my hand and led me to the center

of the room. The entire faculty was there and sang while I tried and failed to blow out the bonfire on the birthday cake. Actually, the party and the realization that I was 62 depressed me more than cheered me up. As a result, I guess I drank a little too much.

The next thing I remember, the crowd was gone and I woke up on Lorraine's couch. She was sitting on the floor with her head resting on the couch, sound asleep. My hand was on her neck and the soft brown hair caressed my wrist. She seemed so innocent, so beautiful, sitting there. Maybe it was memories of similar tender mo-

ments during my marriage, I don't know, but something inside of me stirred.

I felt my dick swelling for the first time in many years. Lorraine's breasts rose and fell, matching the steady rhythm of her breathing. I wanted to touch her tits, but, my gut wouldn't let me.

Then, she stirred and stretched like a kitten, she kissed my knuckles as my hand slid from her shoulder. The kiss sent ripples all the way to my cock. I'm sure she didn't notice, but I felt like a fool, laying there with a big bulge in the front of my pants. When I noticed the time, I sat up like a shot. I tried to apologize for the imposition. She shrugged it off and suggested that I splash some water on my face while she made some coffee.

The icy water felt great against my sleep-filled

BLAIR-NTS-09

Seconds later, I found myself with a blue-vein erection, a pile driving hard-on like I hadn't had in years. I wanted to rush in there and replace her fingers with my prick...

eyes, but even while I washed up, I noticed that my cock was still restless. There was a dampness in my shorts. Just touching the English teacher on her soft neck had my log leaking.

I felt like a kid again. I was only sorry that I could not thank her for the tiny thrill she had given an old man. She wasn't in the living room when I finished, so I wandered toward the kitchen to offer help with the coffee. I pushed the door open a crack and froze in my tracks.

Lorraine was standing in front of the stove, the coffee was brewing, but that was the furthest thing from her mind. Her dress was pulled up in the front and even from the back I could see that she had one hand down the front of her panties. Her arm rocked in a steady pattern as her fingers worked over her pussy.

Seconds later, I found myself with a blue-vein erection, a pile driving hard-on like I hadn't had in years. I wanted to rush in there and replace her fingers with my prick, but of course I didn't. Instead, I let the door shut silently, and tiptoed back into the living room. When she came from the kitchen with the tray of coffee and some snacks, I was sitting on the sofa with a magazine in my lap.

Under the magazine was a king-sized hard-on. She picked up the tray of cookies and held them out for me to make a selection. The smell of fresh pussy, still on her hands, filled my head. My cock jumped so hard, I was afraid it might fling the magazine to the floor.

I took as long as I dared in choosing a cookie as I inhaled the musky smell of her pussy. I was in heat. But, I was so out of practice that I didn't know where to begin. How do you seduce an old maid schoolteacher? We sat there for the next few minutes sipping the coffee and munching on the sweets like the two fuddy-duddies we are. Finally, she broke the silence. "Do you play pool?"

"Yes," I answered, surprised that a woman like her would be interested in that game. Not only was she interested, but she had a pool table in her den.

I discovered pretty quickly that she was a hustler. I lost the first game before I ever got a shot I really didn't mind. I was more interested in watching her ass sticking up in the air while she lined up her shots.

I sat in a chair against the wall while she cleaned the table. Most of her shots had her standing directly in front of me, with her big round ass

right at eye level. It took all of my will power to control my urge to lean forward and bite her tempting rump. "Let's make it interesting," she grinned, as she won the first game.

"Have you ever played strip pool?" The question made us both blush. She took my silence for a yes and racked the balls. It was my turn to start. My hands were shaking so bad that I missed the cue ball and practically ripped a hole in the table. She laughed and pushed me out of the way. When she bent over, her ass touched my prick. As soon as our bodies touched, she began wiggling her ass in tiny breathtaking circles while lining up her shot.

I can't remember ever wanting a woman so badly. Again she cleaned the table and turned to me with a smile. "Take off my dress," she purred.

"But ... you won," I stammered, confused that the winner would lose clothing.

"It's my game and my rules," she teased as she opened the first button on her dress. I reached out and took over. With trembling hands I completed the job and pulled the dress over her shoulders and let it fall to the floor. Under it, she had only panties and bra.

The material of my trousers was barely able to contain the throbbing cock. I managed to make a clean break on my second try, but only sunk three balls before missing. It's impossible to shoot pool with a stiff dick. But it sure is fun.

My face was soaked with her cream. It felt good, smelled great, and tasted fantastic. I was living a fantasy. Everything was in slow motion. I wanted to fuck forever.

Lorraine again cleaned the table. Her next request nearly took my breath away. She climbed up on the table and lay flat on her back. "My panties," she gasped, "take off my panties."

I reached for the waistband. "No fair," she purred. "Do it with your teeth." My old maid was hornier than I dreamed. I nibbled, chewed, and rubbed my face all over her crotch and belly. I was ready to explode in my shorts and still her panties weren't halfway off.

After 10 minutes, she took over and pushed them down. With the flick of an ankle, she flung the silk panties across the room. The pink wet lips of her pussy puckered at me as she lay there on the pool table opening and closing her legs.

"Maybe you should inspect the pocket before you shoot," she whispered as her hands moved between her legs and opened her velvet pocket.

Very slowly, I moved my face closer to her slick opening. "Closer," she grunted, again and again, until at last my lips touched her quivering clit. I lapped the cunt cream as it gushed from her excited box. She shook and quivered and moaned as countless orgasms rocked her body. By the time I pulled my face away from her juicy slot, she was exhausted. My face was soaked with her cream. It felt good, smelled great, and tasted fantastic. I was living a fantasy. Everything was in slow motion. I wanted to fuck forever.

As soon as she recovered, she sat up and slid to the edge of the table. I stood between her legs as

they dangled over the edge while she unzipped my pants and pulled out my twitching cock. It was rock hard. The tip glistened with pre-cum.

At first she played with it like it was a toy, rolling it between the palms of her hands, squeezing the shaft, and once in a while giving it a few maddening pumping strokes. She had me on the brink of a seven-year come, but would not let me go. It was the wildest sensation I ever experienced. My balls ached to unload, but my mind wanted more. Next, she spread her legs and put the head of my cock at the entrance to her pussy. She stroked her steaming groove with the twitching pole, but only allowed the head to dip into the hot opening once in a while. It was enough to drive me mad, but not enough to make me come.

Then, still holding my cock, she rolled around on the table and positioned her head directly under my cock. Her tongue touched me first under my balls. She gave them a spit bath before moving on. The beautiful English teacher made love to my prick. I watched her kiss her way up and down the shaft a hundred times as I stood there enjoying and willing myself to hold on.

By the time she moved back to the center of the table and pulled me on top of her, she was panting like a steam engine. She reached between our bodies and aimed my prick at her pink target and thrust her hips up to meet mine as I buried my cock all the way into her tight wet tunnel. My school teacher was no virgin, but she fucked like it had been years for her too. "Happy Birthday," she grunted, as the first spurts of my seven-year come spattered against her pulsating cunt walls.

I spent the night at her apartment. I'd like to say that I fucked her three more times before morning, but I won't lie. The session on the pool table exhausted us both to the point that we didn't wake up until past noon.

That was three months ago. I've made love to Lorraine four times since then. She is an experimenter. I've accused her of fucking me with her mind.

One of her tricks was to send me a copy of a sex mag. She circled the title of a story on ass fucking. Two nights later we had dinner at her place and she helped me live the wonderful highlights of the story.

I never know what's coming next I wouldn't have it any other way. This old dog loves Lorraine and her new tricks!

After not having seen each other since college, we decided to meet up for some mimosas on a Sunday morning. I was Ashley's economics prof and she was my favorite student. We got caught up in our reminiscing and ended up putting down 4 or 5 drinks each. Then the nostalgia settled in along with the alcohol.

After spending so long without being with another woman, it's a refreshing change of pace to lick pussy, and suck tits one more time.
